ATTN: UBC Real Estate Division Students

You may use any calculator for the final examination, provided it is silent, cordless, handheld and NOT alphanumeric and programmable. Graphing calculators are strictly prohibited. For more information about our policies on acceptable calculators, please refer to your UBC Real Estate Division Student Handbook.

The following is a list of calculators that are NOT permitted for use on a UBC Real Estate Division Examination. Please be aware that this list is not exhaustive and any other calculators that are alphanumeric and programmable are strictly prohibited on examinations.
