

**RESERVE FUND PLANNER  
VANCOUVER, BRITISH COLUMBIA**

At Suncorp Valuations, everything we do is designed to achieve our Customer Brand Promise of ON TIME, CREDIBLE, and PROFESSIONAL. For over 60 years we have earned our clients' trust by consistently meeting their expectations. We do this by hiring the very best employees and providing them with performance based rewards, the tools to do their job, and a culture built on respect and collaboration; they do the rest!

We are currently recruiting for a high performing certified reserve fund planner for a permanent full-time Consultant or Senior Consultant opportunity in Vancouver, British Columbia. You will report to the Managing Director, Real Property.

**WHAT YOU WILL DO**

Through site inspections, research, expert analysis and collaboration, you will collect and analyze data to develop solid and defensible rationale for the final value assigned to a property. This information is presented to clients in Depreciation Reports in the British Columbia region. A large percentage of the work involves collecting on-site data, data entry and local cost data research. You will also assist with training and supervising of junior staff and perform quality control reviews of reports.

The position is based in the Vancouver area and requires local and regional travel.

**THE IDEAL CANDIDATE**

You are proactive, with a desire to drive results and exceed goals. You are self-directed and able to work both independently and as part of a team. You are naturally client-focused and committed to building relationships and providing high levels of service to meet our brand promise of ON TIME, CREDIBLE, and PROFESSIONAL. You have strong leadership skills and enjoy training and mentoring others. You can easily manage multiple projects and thrive in an environment driven by deadlines. You excel at research and analysis. You have information system skills including Microsoft Office Suite. You have a valid driver's license, reliable vehicle and are able and willing to travel locally and regionally.

You have the following credentials:

- Certified Reserve Planner (CRP) designation or close to obtaining a CRP; or a relevant alternative designation such as Reserve Fund Planning Program (RFPP) from University of British Columbia;
- Experience with depreciation report writing, property inspections, and/or onsite data collection; and
- A combination of education, designation and experience may be considered.

**WHY WORK FOR US**

Suncorp starts your training and development on day one. We are with you every step of the way in your career, whether it is as a Professional Appraiser or in one of our highly valued support staff roles. We encourage you to pursue certification and provide the means to do it. We utilize the latest technology to provide you with the tools to succeed. Your efforts are rewarded with performance based rewards, great benefits, and flexible work arrangements. Most importantly, you will be surrounded by highly supportive colleagues at every level of the organization.

**WHO WE ARE**

At Suncorp, "Our Business is Value". Because we have been appraising fixed assets for over 60 years, we have become experts in tracking their value over time. Because we know what can go wrong, we can help clients manage risk and avoid losses associated with their property including liability and reputational risk, and because we understand replacement and repair costs, we can prepare Reserve Fund Studies and Depreciation Reports to assist clients in planning for the future. Simply put, we provide Appraisal, Valuation, Risk Management, and Asset Advisory

Services on a global basis, which help clients to determine assets' replacement cost, mitigate loss, and track everything and its value over time.

We are focused on significant growth in our market. *Are you someone who can help us get there?*
