

OVERVIEW

The Strata Management Challenge Package assists students who have received permission to challenge the examination from the British Columbia Financial Services Authority. The Strata Management Challenge Package includes course materials (such as the course manual, student handbook, course workbook and the answer guides), access to the Course Resources webpage and the central tutor support service. Please note that if you prefer, you can purchase some course materials individually from the online UBC Real Estate Division bookstore (www.realestate.ubc.ca), however, the student handbook, course workbook, answer guides, access to the Course Resources and the central tutor support service are only available with the Challenge Package.

REGISTRATION

Students should study the course material before registering for the examination.

FEES

The Strata Management Challenge Package costs \$350. The Regularly Scheduled Examination fee is \$85 and the Computerized Examination Centre fee is \$125.

EXAMINATIONS

The Strata Management challenge examination is three hours in duration and will consist of 100 multiple choice questions.

Regularly Scheduled Examinations

Examination Dates. Examinations take place at various times each year.

Examination Registration. **If you would like to register for a regularly scheduled examination, a completed registration form, along with the \$85 examination fee, must be received by the Real Estate Division no later than one month prior to the examination date chosen (i.e. if the exam date is December 2, you must register before November 2).**

Examination Centres. Examination centres are established in the following locations:

Campbell River	Castlegar	Cranbrook	Dawson Creek	Fort Nelson
Fort St. John	Kamloops	Kelowna	Langley	Nanaimo
Port Hardy	Powell River	Prince George	Sechelt	Smithers
Terrace	Vancouver	Victoria	Williams Lake	

Special Examination Centres. If you wish to write your examination in a location other than an established exam centre in British Columbia, you may apply for a Special Examination Centre. We will try to accommodate your request, but we cannot guarantee your choice of location due to the complexity of establishing new centres in numerous locations. Please note that Special Examination Centres will not be set up within 100 kilometres of an established centre.

Licensing examinations are NOT offered outside of Canada. In order to complete the course for licensing purposes, you will need to write and pass the examination in a Canadian examination centre.

Establishing a Special Examination Centre requires a \$200 fee. Applications must be received at least 30 days prior to the exam date – applications will not be accepted with less than 30 days' notice. If you cancel an exam scheduled at a Special Examination Centre, you must apply with at least 30 days' notice or the fee will be forfeited. If forfeited, re-establishing a Special Examination Centre for another exam date will require a further \$200 fee.

Examination Results. Regularly scheduled examination results are posted on the Course resources webpage, usually within 3 weeks of the date of the examination. No results will be provided in person, by telephone, or email.

Computerized Examination Centre (CEC)

Students may choose to write their exam at the Computerized Examination Centre (CEC) located at the UBC Real Estate Division office rather than writing on the regularly scheduled examination dates. The CEC allows students the option of writing examinations in a quiet, comfortable environment, and at a time that may be more convenient for them.

CEC Examination Dates. CEC examination sittings are available on Monday to Friday at either 9:00 am or 1:00 pm. Specific date and time requests are granted on a first come, first served basis; therefore, please be prepared to specify three different choices. **CEC availability is limited – due to high demand, bookings may require six weeks' advance notice, so please plan ahead.**

CEC Examination Registration. If you would like to register for the CEC, a completed registration form, along with the \$125 examination fee, should be faxed or mailed to the UBC Real Estate Division. Once our office receives your exam registration, it takes 3-5 days to process.

CEC Electronic Monitoring. All examinations are conducted in a secure Computerized Examination Centre located at the UBC Real Estate Division office. The entire duration of the examination will be monitored by closed circuit television that includes video and audio capability. No permanent record is created from the monitoring of the examination.

CEC Examination Conditions. **If the conditions at the CEC are not satisfactory, a complaint must be received by the Exams Administrator prior to the student leaving the CEC.**

CEC Examination Results. CEC Examination results are posted on the Course Resources webpage, usually within one business day of the date the examination was written. No results will be provided in person, by telephone, or email.
